Saturday & Sunday • starting March 13, 2027 through March 14, 2027 • 10:00-5:00

Questions? Contact Ben Horton • Ben.horton009@gmail.com • 6786739779

Studio-appropriate attire:

Closed-toe shoes
No loose/dangling clothing or accessories
Hair tied back

Basic Supplies:

Pens & pencils
Notebook & sketch paper
Dust mask / N95

Class Supplies:

I'll supply ring-wax for free.
Metal to cast with: bring your own or buy from Dallas (this is also a great way to recycle your scrap, just make sure any solder has been removed).
Stones for your ring: I recommend CZs: they're cheap and cast well. Sapphires/rubies also cast well and come in a lot of colors but they're more expensive. Diamonds tolerate heat well but are expensive (if you want to use some, I'd recommend lab diamonds). Garnets are inexpensive but we've had some mixed results with them (avoid stones with cracks). The rule of thumb is never cast with a stone you can't afford to lose.
Bring in whatever you'd like to use, I'll also have a selection of stones that can be purchased.
Feel free to bring in whatever tools you are comfortable working with.
